

*AVM*

```
graph LR; AVM[AVM] --> ARMModel[ARM Model]; ARMModel -.-> RealARM[Real ARM];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is outlined in green and contains the text 'AVM' in green italics. A solid black arrow points from the right side of this box to the left side of the second box. The second box in the middle is outlined in black and contains the text 'ARM Model' in black. A dashed red arrow points from the right side of this box to the left side of the third box. The third box on the right is outlined in black and contains the text 'Real ARM' in black.
